

Shower mixer Siljan

In the FM Mattsson Siljan collection, strong focus has been placed on design. Specific shapes are used consistently to create a coordinated look. In combination with smart technology, this results in a range of safe, eco-friendly mixers with very low energy and water consumption.

Our energy-saving functions and well-known high quality are the cornerstones of our new signature collection, FM Mattsson Siljan. Also see our Siljan shower and bath packages – smart all-in-one solutions with an overhead shower or hand shower set.
